PROFESSIONAL SUMMARY

- Results-oriented and technically proficient BCA student with a diverse skill set encompassing programming, web development, and design. Possessing a solid foundation in C, C++, Java, Python, and a keen understanding of web technologies, I am adept at crafting user-friendly interfaces and solving complex problems. With hands-on experience in developing online platforms and a creative flair for graphic and UI/UX design, I am eager to contribute my skills and passion for technology to a dynamic team. Adept at collaborating with cross-functional teams, I am seeking an internship or entry-level position to apply my expertise in a real-world setting and contribute to innovative projects.
